AMAAZZING!!

You guys are incredible. I wish I had TONS of new orders for you just to make your extra efforts worth the while...!!! Again, I'm really sorry for the repeated last minute rush. BUT, no matter what I say or do, they'll probably do it again!! I'll certainly give them a 'do-better slip' for next time.

Again, I really appreciate it!

Please use PO 4131500236

Best regards,  
Dale
